The artillery unit recently replaced about 400 Marines from the 11th Marine Expeditionary Unit, which provided artillery support to Kurdish and Syrian Arab forces expected to launch an offensive against Raqqa.

We must deal with ISIS and end the terrorist threat once and for all. Unfortunately that's hardly possible because of the corruption in the Government. There's only one chance to avoid another Iraq: Trump and the American nation must defeat globalist politicians and the Establishment. All we can do now is to pray for all American soldiers to return back home alive and safe.
